

# 2019 DIRECTORY

NEW ENGLAND  
YEARLY MEETING  
OF FRIENDS

Dear Friends,

It is truly a joy for me to be in touch with so many Friends—you who serve in your local meetings and on our Yearly Meeting committees. Throughout the year I request the information to create this directory, update our website and help newcomers find your meeting, and keep our database current so we can stay in touch with you and help Friends reach one another, both within New England and beyond. Please don't be shy about contacting me to correct any misinformation!

This year for the first time, we are not printing and distributing the Directory as we have in the past, but are posting the Directory on the website so that Friends can print their own copy.

The Directory includes the contact information only for Friends serving on Yearly Meeting committees and in local meeting roles. For reasons of privacy and practicality, we do not publish contact information for all New England Friends—but if you need help reaching another Friend, please contact me at [office@neym.org](mailto:office@neym.org) or call 508-754-6760.

Visit our ever-changing website at [neym.org](http://neym.org) for news, events, and practical resources supporting our life and ministry. Remember, too, to sign up for our email newsletter by clicking on the link at the bottom of the home page of the website. You can also find New England Quakers on Facebook, Twitter, and Instagram.

Please contact me and other Yearly Meeting staff with your questions and share your ideas to help us continue improving our support of Friends and Friends meetings throughout New England—and remember to let me know when information needs to be updated!

May our shared service be blessed and fruitful in the coming year.

Sara Hubner, Office Manager  
New England Yearly Meeting of Friends

---

Yearly Meeting committee members are appointed to standing or ad-hoc committees by NEYM in Sessions or by the Permanent Board. Ex officio persons serve on a committee by virtue of office or position. The Purposes, Procedures & Composition of the committees are posted on the Yearly Meeting website ([neym.org](http://neym.org)).

### Permanent Board

---

The Permanent Board serves as the Yearly Meeting's decision-making body between Yearly Meeting Sessions. Briefly, it implements decisions and policy made by Sessions. It also acts upon matters where, in the opinion of the Board, a decision cannot await Sessions. Otherwise, its role is to season issues which come to its attention, presenting recommendations to Sessions if appropriate. Up to 50 Friends nominated from throughout New England carry this work through prayerful discernment. Visitors are encouraged. If you would like to explore serving, please contact the Nominating Committee.

## **Please support the witness of the Religious Society of Friends in New England**

*“Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.” (II CORINTHIANS 9:7)*

*“Do good with what thou hast, or it will do thee no good.” (WILLIAM PENN)*

NEYM is a vibrant organization serving the needs of Friends in New England and the wider Quaker world. We celebrate all who are active in the work of the Yearly Meeting and invite others to become engaged! In addition to the time and talents offered by our many volunteers, we rely on financial contributions from our monthly and quarterly meetings and from individual donors to sustain our work.

Friends can become regular contributors through the GiveMonthly program ([neym.org/donate](http://neym.org/donate)). Some give as little as \$5 per month, others much more, according to their ability. Please consider whether you can contribute for the first time or increase your regular contribution to support the many ministries of NEYM. And if you wish to explore making a gift to benefit NEYM, your home meeting, and/or other organizations you believe in as part of your estate planning process, we'd be delighted to talk with you. Please contact [YMSec@neym.org](mailto:YMSec@neym.org) to learn more.
