

6. Please tell us how you spent your Legacy Grant and if you were able to raise additional funds for your ministry or project.

**PHOTOS:** Please include any photos of your ministry or project that would help Legacy share your story with the Yearly Meeting and the wider Quaker world. You may also include links to articles, videos, or other related materials.

We especially like *before* and *after* photos, and photos of people with whom you have worked in your ministry or project.

**Our guidelines state that:** *Any changes to funded projects or ministry that result in a major change in the budget or funded program require approval of the meeting or committee with oversight and the Legacy Committee.* This includes if you have completed your project and there are Legacy Gift funds remaining, or you are unable to continue your ministry or project. We count on you letting us know right away about such changes.

Please email your completed report to [legacy@neym.org](mailto:legacy@neym.org)

Questions? Contact the co-clerks at [legacy@neym.org](mailto:legacy@neym.org)

Thank you!
