

**Seeking an experienced, visionary Head of School  
starting Fall 2021!**

# Richmond FRIENDS SCHOOL

Richmond Friends School is a Preschool-8th grade independent Quaker school founded in 1971. Our multi-age classrooms are purposefully designed to have low student-teacher ratios allowing for customized instructions, expectations, and assessments that are tailored to the academic and social needs of each individual child. Students are challenged to solve problems critically and collaboratively in a rich and nurturing community where faculty, staff, guardians, and students are all important partners in the dynamic process of learning. RFS students spend 60 minutes outside every day and graduate with up to 10 years of project-based learning and up to 10 years of instruction in Spanish and music. ***RFS is eager to find a leader who can continue our tradition of excellence in Quaker education!***

Since 2003 ten Richmond High School valedictorians have been RFS alums. Our graduates go on to be life-long learners and compassionate citizens committed to making the world a better place. Richmond Friends School admits students of any race, color, religion, national, or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, religion, national, or ethnic origin in the administration of educational policies, financial aid programs, and other school-administered programs.
