

Would you like to attend a radically unprogrammed gathering with Friends?

# Quaker Spring:

**Listening to the inward voice of Christ  
with Friends from many different backgrounds & places**

The Kingdom of Heaven did gather us and catch us all, as in a net, and his heavenly power at one time drew many hundreds to land. We came to know a place to stand in and what to wait in; and the Lord appeared daily to us, to our astonishment, amazement and great admiration, insomuch that we often said one unto another with great joy of heart: “What, is the Kingdom of God come to be with men?”... And from that day forward, our hearts were knit unto the Lord and one unto another in true and fervent love, in the covenant of Life with God.

~Francis Howgill (1618-1669)
