

NEYM Collection Overview

The NEYM collection contains the official records of New England Yearly Meeting from its founding in the seventeenth century to the present, along with records of most of its constituent quarterly, monthly, and preparative meetings and records of Quaker schools and trusts. The collection also includes several thousand Quaker books and pamphlets, including the libraries of Moses and Obadiah Brown, and individual monthly meetings. The records of most monthly meetings in Maine are held at the Maine Historical Society; records of a few monthly meetings are held at the Newport (RI) Historical Society, at the monthly meeting, or at another repository.

This complete A to Z list includes links to records for all New England monthly and quarterly meetings, including those that have been laid down (indicated with an asterisk).

Please contact Tamara Gaydos, Outreach Archivist, at outreacharchivist@neym.org if you have any questions.
